To whom it may concern:

This letter is to certify that the Chamber of Real Estate and Builders Association (CREBA) is the only National Association of REALTOR® cooperating association in the Philippines. All licensed real estate practitioners can now be an International REALTOR® Member (IRM) through CREBA-NAR Global Real Estate Council.

What are the benefits of a paid membership? Only paid International REALTOR® members are authorized to use the logo and trademark in the Philippines. Members will receive a kit and pin certifying their membership, along with a membership identification number. As an International REALTOR member (IRM) you will enjoy benefits such as networking, information, visibility and discounts on products, programs and services. Visit <http://www.realtor.org/applyirm> for more information. Additionally, CREBA will provide additional value-added benefits including access to international education, conference/networking, and a discounted membership price to make membership more accessible to members in the Philippines. Discounted membership is available for a limited time only and professionals who apply soon will receive charter membership as IRMs.

Join the NAR Global Alliance through CREBA-NAR Global Real Estate Council, brought to you in the Philippines by NAR and CREBA.
